## EleFun Club Activities

### ADRENALINE RUSH

We engage the children in a myriad of activities while the parents, grandparents or teachers/chaperones unwind. Our sports activities give the children a chance to engage in physical activities as well as make friends, develop skills, learn teamwork and build self-esteem.

These include competitive activities such as:

- Board games including Scrabble, Trivial pursuit, Chess, Ludo, Snakes and ladders and Monopoly),
- Table tennis (Ping Pong), Video games (PlayStation)
- Swimming pool games (Water polo, swimming competition)
- Races (One hundred meters, Sack, Three legged, Piggy back, Relay, Spoon and potato and many more)
- Musical chairs
- Tug of war
- Ball games (Volleyball, Mini football)
- Beading
- Painting
- Modelling

### DISCOVERY

Our adventure activities are a learning moment too, for the children. The little ones will have an opportunity to learn about the wildlife and local plants of Amboseli National Park at the guidance of our resident naturalist.

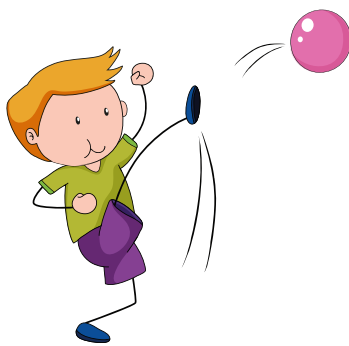

All this is done during excursions on a bird watching adventure, and adventurous nature walks.

### CULTURAL AFFAIRS

Our cultural activities will let the children learn all about the Maasai people and their culture.

They will learn battle songs and dances as well as sit down for African storytelling sessions.

# EleFun Club

Wonderland in Africa!  
Better yet, Disney world in the  
bush is the best  
way to describe the Ol Tukai  
Lodge's EleFun Club.  
This adventure club is open to  
children of  
all ages to keep them busy during  
their stay at one of the region's  
most captivating National Park –  
Amboseli National Park.
